

# LX Series Heat Pumps

with R-410A Refrigerant

THJD Model 13 SEER

# **Comfort for all the times of your life**

#### **Comfort with a conscience**

Now you can feel as good about the environment as you do about your home. That's because this Coleman® model is available with an advanced refrigerant— R-410A—that's safer for the atmosphere.

# **Reliability you can trust**

Count on the engineers of Coleman® comfort equipment to use a more reliable compressor and fewer moving parts. The result is a system that lasts longer and comes with a stronger warranty.

# Feel like a welcome neighbor

The attractive, slimmer design of your Coleman® unit will complement your home's exterior. And its quiet operation will fit nicely into your neighborhood.

# Raise comfort, reduce noise

Enjoy the peace and quiet that comes with a quieter upflow air flow pattern, a sound-isolated motor, a rigid top panel, and cushioned compressor

One of the quietest sounds around your home

mounts that dampen vibrations.

# Coleman® LX Series

#### Savings you can see

Advanced LX model heat pumps double efficiency over many older units. Factor in higher reliability and reduced service costs, and an LX model purchase pays for itself fast.

#### To use the map and chart:

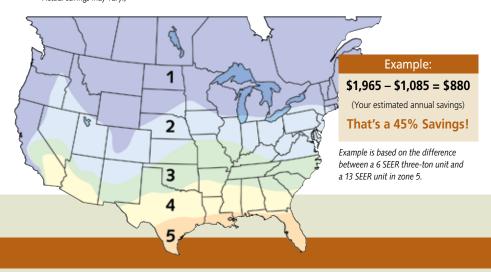

First, determine the SEER of your current system. Then using the map, find your zone. Cross-reference your zone and SEER in the table to determine your approximate operating cost. Take the difference between your current cost and that of a new, more efficient system to learn your estimated annual savings.

Seasonal Energy Efficiency Ratio (SEER) is a measure of aircooling efficiency. The government's minimum rating for new air conditioning systems is 13 SEER.

**Heating Season Performance Factor (HSPF)** is a measure of air-heating efficiency. A higher HSPF rating indicates a more energy efficient unit.

Cooling/Heating Efficiencies	Approximate Annual Cooling/Heating Operating Costs					
SEER/HSPF	Zone 1	Zone 2	Zone 3	Zone 4	Zone 5	
6/6.0	\$2,036	\$1,888	\$1,954	\$1,945	\$1,965	
8/6.5	\$1,796	\$1,637	\$1,660	\$1,646	\$1,578	
10/7.5	\$1,533	\$1,388	\$1,461	\$1,445	\$1,300	
12/8.0	\$1,407	\$1,262	\$1,258	\$1,243	\$1,134	
13/8.0	\$1,390	\$1,240	\$1,227	\$1,213	\$1,085	
14/9.7	\$1,243	\$1,112	\$1,104	\$1,091	\$ 986	
15/9.6	\$1,189	\$1,057	\$1,040	\$1,025	\$ 902	

(Based on 2005 DOE national average price for electricity [0.0945/kwh]. Assuming the use of 36,000 BTU nominal capacity. Cooling based on Bin data. Operating cost based on 2,100 sq. ft. and occupancy of 4 people. Actual savings may vary.)

# Rugged, reliable product design

Accumulator regulates differing refrigeration needs of heating and cooling cycles

Coated-aluminum fins with copper tube coils look great and provide durable, efficient operation

> Compressor is protected from high pressure and temperature for durability

> > Stylish cabinet looks good in your neighborhood

High-pressure relief valve and solid core filter drier extends life of compressor

Reversing valve regulates change from cooling to heating cycle

Filter drier provides extra protection to the refrigerant system from moisture, dirt and other contaminants

R-410A refrigerant provides advanced performance for your home and the environment

#### **Warrantied for years of comfort**

Every Coleman® system is backed with the best limited warranties available:

Three-phase models do not qualify for the 10-year warranty.

Three-phase models have a 1-year parts and a 5-year compressor warranty.

## **Financing plans that feel right**

Ask your Coleman® HVAC dealer about special financing options. Applying is easy, and upon approval, you'll enjoy low monthly payments and financing offers.

## **How comfortable is your wallet?**

By matching your Coleman® system with Coleman® variable-speed air handlers and furnaces, you will maximize energy efficiency and likely qualify for various rebates.

Ask your Coleman® dealer about rebates offered in your area. And ask about Coleman® fans, filters, IAQ equipment and advanced controls to complete your system. Talking to your dealer will keep you informed, save you money and time, and protect your family's health—all part of Coleman® Comfort.
